Part-qualified in ACCA Qualification (9/13 exams completed) with an MBA in Finance and a strong foundation in financial controls, reconciliations, variance analysis, and audit support. Experienced in working with multi-entity financial environments and collaborating with cross-functional stakeholders to deliver accurate financial reporting and process improvements.

EXPERIENCE

Great Western Hospitals NHS Foundation Trust

Finance Business Partner- Capital

Swindon, United Kingdom

March 2026 - Present

- Supporting the Head of Financial Services with capital accounting, fixed asset management, and lease accounting activities.
- Assisting in maintaining the Trust's fixed asset register, ensuring accurate recording of asset additions, disposals, and depreciation.
- Preparing monthly capital expenditure monitoring reports, tracking spend against the Trust's approved capital programme.
- Assisting with general ledger postings and reconciliations related to fixed assets and capital transactions.
- Supporting the reconciliation between the fixed asset register and general ledger to ensure financial accuracy.
- Assisting in maintaining the lease register and supporting accounting requirements under IFRS 16.
- Providing financial information and support to scheme managers and non-finance stakeholders regarding capital expenditure and processes.
- Supporting the year-end accounts process, preparing schedules and documentation relating to capital assets and leases.
- Using Excel and financial systems to analyse financial data and produce reporting schedules.

Morgan Stanley

Financial Analyst – Compensation Controller Team

Glasgow, United Kingdom

September 2025 - February 2026

- Support accounting and reporting of employee compensation, the firm's largest PL line, ensuring compliance with US GAAP, IFRS, and local statutory requirements.
- Perform reconciliations and substantiations of general ledger accounts across expense and balance sheet categories, strengthening financial control and SOX compliance.
- Prepare insightful financial analysis and reporting for key stakeholders including HR, Audit, and senior Finance leadership.
- Participate in system enhancements, UAT testing, and process documentation to improve efficiency and strengthen the control environment.
- Collaborate with global teams on compensation and benefit-related reporting, contributing to firm-wide and finance-wide initiatives.

North Cumbria Integrated Care NHS Foundation Trust

Assistant Financial Accountant- Charitable Funds

Carlisle, United Kingdom

April 2025 - August 2025

- Prepared schedules for year-end accounts, supporting production of statutory and charity financial statements.
- Managed multi-cost-centre reconciliations and contributed to consolidating charitable fund positions.
- Supported cashflow monitoring and reporting for designated funds.
- Maintain and reconcile charitable fund accounts, ensuring compliance with Charities Commission regulations and Trust policies.
- Assist in the preparation of monthly, quarterly, and year-end financial statements and reports for the Charitable Funds Committee.
- Monitor and verify charitable fund income including legacies, fundraising, and tax-incentive donations; ensure Trust's financial interests are protected.
- Liaise with solicitors regarding legacy distributions and acknowledge donations from external donors in line with statutory procedures.
- Distribute fund statements and provide financial advice and support to charitable fund holders across the Trust.
- Collaborate with Procurement and Finance teams to ensure proper classification and authorisation of charitable expenditure.
- Support internal and external audit processes by providing reconciliations, statements, and related documentation.
- Supported budgeting and variance analysis for charitable fund expenditure, helping Trustees align spend with fund restrictions
- Assist with maintaining the Trust's financial ledger hierarchy and preparation of run rate and workforce reports.
- Propose and implement improvements in financial procedures to enhance control and reporting accuracy.

Home Group

Treasury Compliance and Banking Assistant

Newcastle Upon Tyne, United Kingdom

August 2024 - April 2025

- Contributed to cash flow forecasting and treasury reporting, supporting liquidity and funding decisions.
- Processed and reconciled over 200 transactions monthly for key Home Group bank accounts, maintaining adherence to strict accounting timelines.

- Supported internal audit processes by reconciling bank and ledger accounts, ensuring accuracy and compliance with financial regulations.
- Reconcile key bank and general ledger accounts, swiftly addressing any discrepancies.
- Manage the daily download and upload of bank transaction data using electronic banking software for seamless system updates.
- Assist in daily treasury compliance and cash management, supporting adherence to financial regulations.
- Contribute to the maintenance and improvement of the Treasury Procedures Manual.
- Provide banking, reconciliation, accounting, and reporting services, ensuring 100% compliance with financial regulations.
- Support the Treasury Compliance Manager on lender and stakeholder compliance issues.
- Assist in improving bank reconciliation processes and treasury electronic banking arrangements.
- Identified process gaps and proposed lean finance improvements, helping reduce reconciliation cycle times.
